

To whom it may concern:I am outraged to learn that the lobbyists for the NAB is trying to stop Instant Traffic and Weather on XM Satellite Radio. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I, as an American demand and deserve.

Sincerely,

Mary Gleim
